

Policz, ile pieniędzy jest w każdym kwadracie

The image shows a 4x3 grid of Polish currency. Each cell contains a different combination of coins and banknotes. Hand-drawn arrows point from each cell to an empty rectangular box, intended for the student to write the total value of the currency in that cell.

Two 5 zł coins	Two 2 zł coins and one 1 zł coin	Two 50 grosz coins	[]
Four 50 grosz coins	Two 10 zł banknotes	Two 50 zł banknotes	[]
Four 5 zł coins	Two 1 zł coins	One 10 zł banknote and two 20 zł banknotes	[]
Two 5 zł coins and one 10 zł banknote	Two 50 grosz coins and one 1 zł coin	Five 1 zł coins	[]
